## **NEAT**

### **DJ's that are dressed to impress**

We believe that a DJ should be heard and not seen. But - since we are not invisible - when you see us we will be dressed for the occasion and our setup and equipment will follow suit. (Pun intended)

## **PROFESSIONAL**

### **Giving you peace of mind**

5 Years experience in the wedding industry has taught us that there are no shortcuts. Hard work and a serving attitude goes a long way.

## **GREAT SONGS**

### **Never a dull moment**

Tried and tested playlists ensure that the dance floor is always pumping. Our Dj's are also equipped with music streaming services for those special requests.
